ENTHUSIASTIC YES

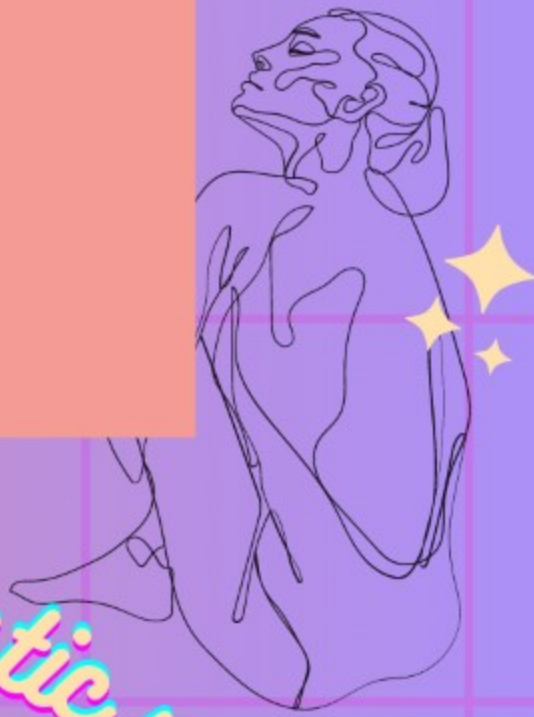

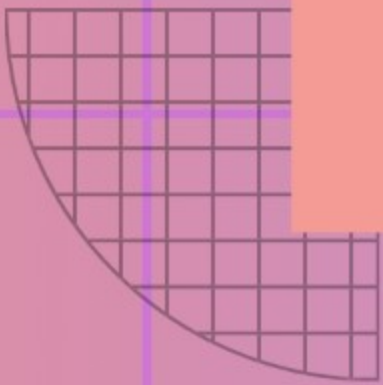

**Creative Direction: Danni Patterson
Editor: Gabby Anthony**

ENTHUSIASTIC YES is a piece created by Danni Patterson and edited by Gabby Anthony which is meant to articulate how deep roots of misogyny allow for cultural messages about sex to still overpower individual understandings of empowered consent.

NO MEANS NO BUT SO DOES...

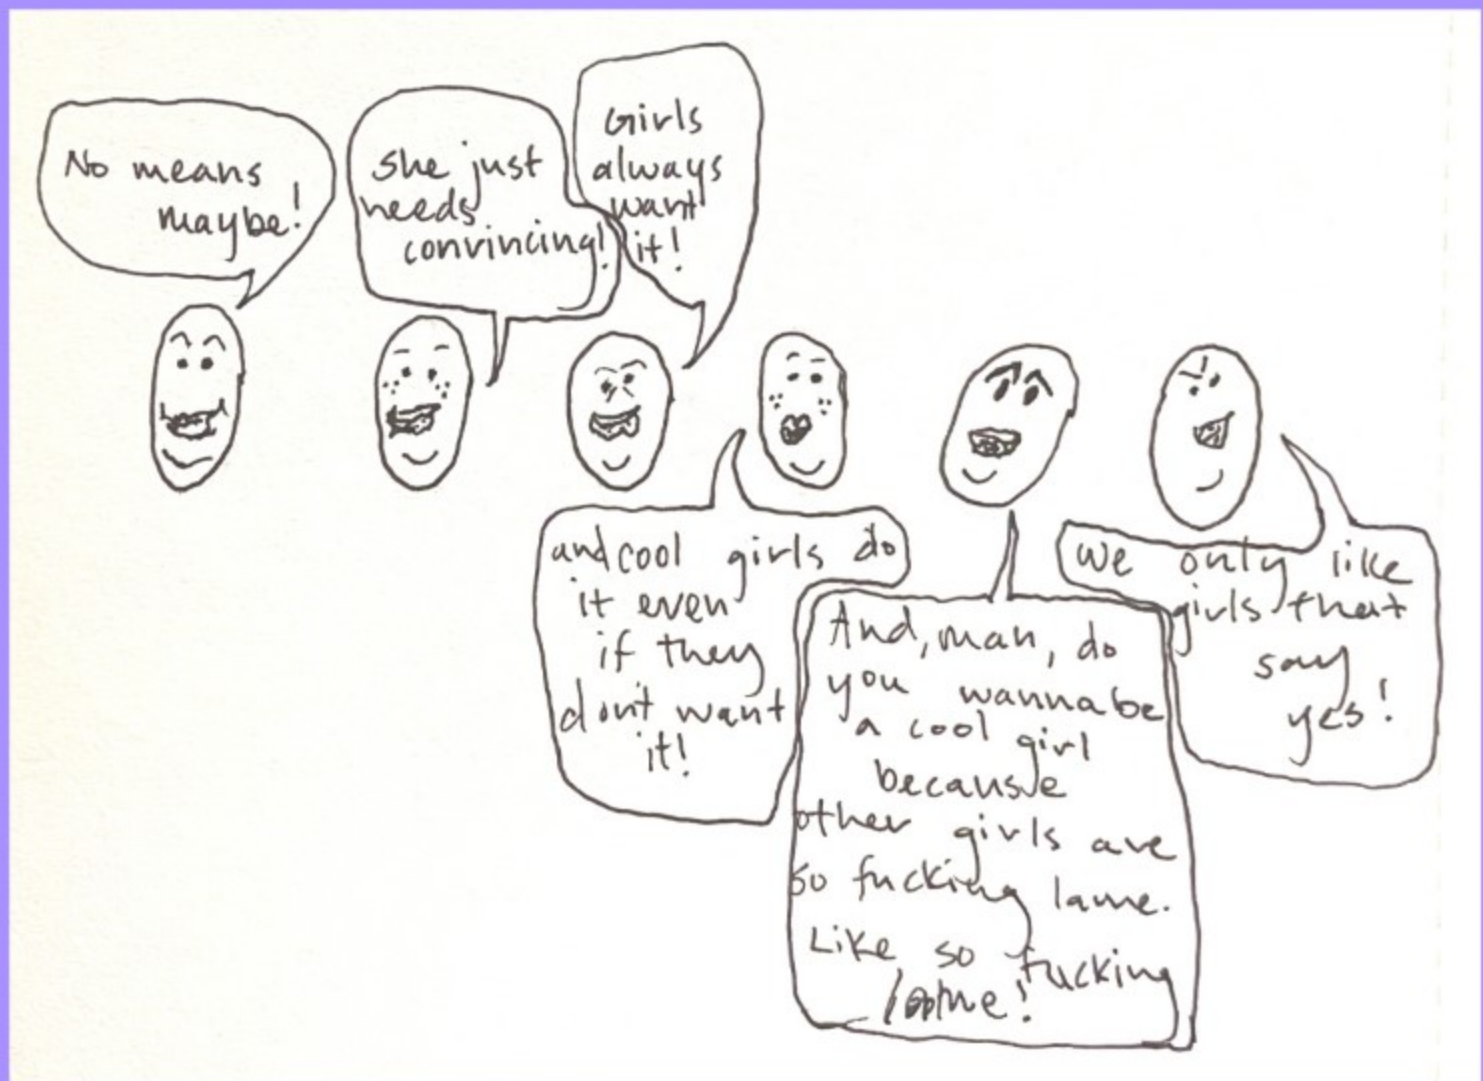

I'm tired
Not right now
I'm not sure
I don't feel like it
This doesn't feel right
Maybe later
I changed my mind
I don't know
Stop

*If it's not an enthusiastic yes
it's a no!*

**MY MOM
HAD TAUGHT
ME
I COULD SAY
NO BUT
I HAD ALSO
CONSISTENTLY
HEARD...**

So, what do you think my small, unsure self did when he just kept going?

MADE TO FEEL

Writing/ Creative Direction: Zoe Shook

Collage Pieces: Zoe Shook and Kamlin Nisch Quan

MADE TO FEEL is a collaborative collage piece created by Zoe Shook and Kamlin Nisch Quan which is meant to illustrate the way we as women feel society pressures us to feel via the media. It explores expectations society sets on women (and all people with uteruses) and is meant to spark discussion and awareness of these expectations.

RULE 13:

SHUT YOUR DANG MOUTH!

The media is yelling at me to feel.

When I open my phone, I am made to feel small.

I am made to feel soft. I am made to feel quiet.

I must be the ideal image for everyone else.

I am made to feel sexual, that my body is for others. Never for me.

I am made to feel like a prize.

I am made to feel like all eyes on are me and that I must not disappoint.

I am made to feel like I need to be ideal for everyone else.

I am nothing more than what my body does.

I am made to feel stupid. Submissive. Below.

I am made to feel like I must know my place and never leave it.

resources

Triota wishes to amplify resources in the state of Ohio, the city of Columbus, and three surrounding counties. This section aligns with the theme of the Zine as it represents the importance of taking care of one's body. All of the resources beyond this point amplify a person's right to competent reproductive health care, and positive community. In order for someone to have a positive relationship with their body, they must have full access to the resources that allow them to live a life free from the judgement of others.

WOMEN HAVE OPTIONS

THE MISSION OF WOMEN HAVE OPTIONS IS SIMPLE – TO CONNECT THOSE NEEDING ABORTION TO FINANCIAL ASSISTANCE SO THEY CAN AFFORD THEIR REPRODUCTIVE CHOICE. AND JUST AS IMPORTANTLY, IT ALLOWS THEM TO ACCESS THAT CHOICE WITH DIGNITY. OUR CURRENT SYSTEM TELLS THOSE SEEKING ABORTION SERVICES, IMPLICITLY AND EXPLICITLY, THAT IF THEY CANNOT AFFORD THEIR CHOICE, THEY DO NOT DESERVE TO HAVE ONE. AS SUPPORTERS OF WOMEN HAVE OPTIONS, YOU'RE NOT JUST PROVIDING FINANCIAL ASSISTANCE, BUT YOU ARE TELLING THOSE IN NEED THAT THEY DESERVE THIS SUPPORT

resources

As we enter into resources in surrounding counties we would like to acknowledge the reality of conservative counties and how there is often a limited amount of reproductive healthcare options.

Oftentimes in these communities, reproductive healthcare is an underground system and individuals have to find trustworthy people who can lead them in the right direction.

We'd also like to bring awareness to those who are not given the ability to choose, in that instance, we want to remind them that it's not their fault and that there are many people in the same position.

Hopefully these resources find you.
