

Research Assistant Application Form | WGSST 5998

Department of Women's, Gender and Sexuality Studies
The Ohio State University

Students seeking to enroll in WGSST 5998 must submit this application to the WGSS Program Coordinator, Jackie Stotlar, at stotlar.1@osu.edu.

Section 1 | STUDENT INFORMATION

To be completed by the student. Please type your information or print clearly.

First and Last Name:

OSU E-mail Address:

Phone (please include area code):

Major(s):

Minor(s):

Expected Graduation (Semester/Year):

List the WGSS classes that you have completed or that are in progress:

Section 2 | APPLYING FOR CREDIT

To be completed by the student. Please type your information or print clearly.

*Hours begin to accrue from the start of the semester and should be completed by the end of the term during which you are enrolled in the 5998 course.

How many semester credit hours are you interested in pursuing (you can select more than one if you are unsure).

- 1 credit hour (if you will be working the equivalent of 3-5 hours per week; 42-70 hours in total)
 2 credit hours (if you will be working the equivalent of 6-9 hours per week; 84-125 hours in total)
 3 credit hours (if you will be working the equivalent of 9+ hours per week; 126+ hours in total)

Have you completed a previous WGSST 5998 research course? If so, when and for how many credit hours?

Are you seeking to apply this research credit to a WGSS major or minor?

- Yes
No
Unsure

Section 3 | AVAILABLE RESEARCH POSITIONS

Please read the project overview of the faculty project(s) that was advertised and list those faculty that you are interested in pursuing. If multiple, please rank to let us know your top priority.

Section 4 | STUDENT GOALS AND INTEREST

To be completed by the student. Please answer the following short questions in about 1 paragraph each. Please type responses them below.

1. How would working with a faculty member complement your goals for your WGSS major or minor? What might it help you to achieve (e.g. are you intending to continue studying WGSS in graduate school, are you thinking about conducting your own research study for a class or thesis project, etc.?)

2. What elements of the research projects outlined above are your particularly interested in? (i.e., why would you like to work with WGSS faculty member who is leading the specific research project(s) that you're interested in?)
